Dear Fellow Wahyanites,

Re: Invitation to WYHKPSA Mentorship Program, 2008

We would like to share with you the joy that the WYHKPSA mentorship program has been successfully launched in March 2007 and is now institutionalized in the hands of the PSA Mentor-mentee Committee. At present, there are 17 mentors and 45 mentees stretching across the cohort groups of different years of graduation back to 1980.

The main theme of the program is to build up an interactive link among past students in the form of a mentor-mentee relationship. This allows a mentee to receive support in his growth and development from the senior, and at the same time, enables a mentor to get inspired ideas or new excitements from the fresh young gentlemen.

It is now time for a new year-term enrolment. We would like to extend a warm invitation to you to join the program either as a mentor or a mentee. Details of the program and application are uploaded onto the PSA website (<http://www.wahyan-psa.org.hk/>). We would be most grateful if you could return the filled-out registration form to us by no later than 31 January 2008. Please do not hesitate to contact Mr. Willie Cheng (email: wilcheng@netvigator.com, phone: 96456530) and Mr. Ralph Tong (email: ralphhk70@netvigator.com, phone: 9226 0978) should you have any enquires.

Yours sincerely,

Peter P.S. Lai
