Fundraising Concert - Mr Tam & Mr Tam

by Monty Fong

Greetings from the Foundation! We are most pleased to report to you that our fundraising concert, completed on 22 December 2012, had enabled us to raise over \$10 million for the two Wah Yan. We would not have made this event without your selfless love and support. Thus please rest assured that we will continue our efforts to gather more resources for our young Wahyanites.

Don't forget to get hold of a copy of the newly released concert DVD. Visit Wah Yan One Family Foundation's FaceBook for details or to view some video clips uploaded by some alumni as well. Again our heartfelt thanks for your support over the years.

Please note that there are 1,000 star-plates (approx. 200mmW x 100mmH each) on the *Wall of Stars*, which are available on a first-come-first-served basis. Chairman's Column

My North American Trip

22 April 2013

Dear all,

I have just returned from a 4-week trip to North America with Vancouver as my first and last stop. Armed with the mission to muster as much financial support as possible for the building of our new school hall, I met with representatives of our overseas chapters in Vancouver, San Francisco Bay Area, Southern California, Houston, U.S. Eastern and Ontario. As you may know, we still have many unsubscribed spaces left on the Wall of Stars and we must fill them up very soon.

Si hing Chan Hing Shuen in Houston agreed to tell as many past students in his area as possible about Wah Yan's urgent needs for donations, and so did all the other chapters. I am pleased to report that payments for 10 Stars were received right on the spot and, hopefully, more will come our way shortly.

Official receipts could be issued to US donors for donations made to "Wah Yan Scholarship Foundation of California". For details, please check with Jason Chan (siunchan@yahoo.com) and/or Alex Man (alex@wahyan.com).

I have to thank Jason and other classmates from my year in LA for their generous support by immediately subscribing one Star each at our dinner gathering.

I also have to thank Mrs. Helen Lee, our retired teacher, as well as the wife of one of my classmates in Toronto, for their prompt commitment despite their previous subscriptions made to the scheme.

For those who are not in the position to subscribe a Star each on their own, please try to find one or more classmates to subscribe one jointly as soon as possible.

Your helping us to spread the word around is much appreciated.

Feel free to go to the below link to see pictures I took with each Chapter. Had a great time with all of them and have to thank them all for their great hospitality. Thank YOU.
