### Students of the Year (S.O.Y.) 2015-16

by Simon Cheng, Immediate Past President, 2015-16

With the helps from Dr. So, Ricky Lai sir, some teachers, past S.O.Y.s., PPs & a few core council members, this year's S.O.Y.s and Student Ambassador have been carefully and successfully selected. As usual, the 3 S.O.Y.s would act as emcees of the Reunion Dinner held right after the conclusion of Speech Day ceremonies and so students should have known who they are at that time. We only left the announcement of Student Ambassador to be at the dinner time. Let me share with you the names of these students below:

- Chan Ka Lun, Galen 陳嘉綸(5Y)
- Cheng Wing Jun, Alex 鄭永雋(5C)
- Guo Zi Xuan, Jerry 郭子軒(5Y), also the Student Ambassador

Please join me in congratulating them for their achievements. To me, this is not solely academic achievement. Other than showing us how well they have done at school, they need peer supports, participation in different curricular activities and last but not least, some awards as well. Special thanks to Mr. Ivan Hau for all his helps.

It is also the second Finance Fraternity event with Wahyanites from both sides to come together, after the drinks organized by WYK brothers in May. The Finance Fraternity has accumulated over 300 members, who span from classes of 1950 to 2010 and are working in different financial institutions across various disciplines including accounting, actuarial science, asset management, banking, compliance, information technology and insurance, etc. Regular events are held to expand and solidify the Wahyanites network and allow the members to share their experience with each other and identify business opportunities from a professional perspective. ## Annual WYCHK/MSS Interview Workshop by Ken Yung & Steven Leung

The annual Wah Yan College, Hong Kong (WYCHK) / Marymount Secondary School (MSS) Interview Workshop was successfully accomplished on 30 April 2016 at WYCHK. The event was kicked-off by our honorable guest speakers, WYCHK Principal Dr Y.L. So, MSS Principal Mrs Julie Ma, MSSAA IPC Karen Ho and WYPSA Vice Chairman Dr. Thomas Tsang, followed by our group photo crowded by over 30 mentors and 50 students from both schools.

Before the actual interview started, we invited Mr Stephen Lo and Miss Annabel Chan, each alumni of the two schools, to conduct a presentation on interview skills to all students. The mentors and mentees were then ushered to their respective classrooms, where mentors led self-introduction, one-one-one interview workshop and group discussion mimicking actual university interview, and gave invaluable comments to the mentees. Different from last year, a second round of group discussion section with swapped mentors was added in order to widen the mentees' exposure to the mentors in other groups. The function was then ended with a sharing session from both mentors and mentees after close to five hours of fruitful activities.

We want to show our greatest gratitude to all guests, mentors, teachers, helpers. Their contributions have brought significant benefits to our fellow students. We hope and believe the function will continue to support mentees not only on interview skills, but also for a better connection between mentors and mentees.

## Medical Fraternity by Thomas Tsang

Wah Yan's medical fraternity keeps growing stronger. On 2 December 2015, some 150 doctors, dentists and medical students from WYCHK and WYK gathered for its annual dinner. Our boys spanned across three generations; the most senior doctor graduated in 1954. Senior Wahyanites retold captivating stories at school, how they reconnected with their classmates, and gave words of wisdom as practicing doctors. The evening was filled with joy and sense of brotherhood.

## Career Fair 2016

The school organized a Career Day for all Form 4 and Form 5 students on 23 March 2016 as part of the year-long guidance program, which aimed at helping students to explore their interests and potentials in further studies and future careers. In the morning, students attended a career talk by five past students on the profession of accounting, medicine, engineering, finance and law. After lunch, the PSA mentorship program offered a Career Fair to the Form 5 students who were able to meet mentors from six professions in two separate classroom sessions. Mentors from creative media, social work/NGO, medicine/dentistry, legal, entrepreneur/start-up and finance shared their work experience and latest conditions in their fields with the students. Most students were intrigued and inspired by the sharing, and some stayed behind to discuss further with their senior brothers even after the sessions had ended.

## CHAIRMAN'S REPORT

It seems to be the norm on such occasions to say that the past year has been a busy one, and this report is no exception. The 2015-16 has again been a very challenging but rewarding year for all of us. As Chairman of PSA, I and my fellow council members had the privilege of seeing the behind the scenes operations and the planning that took place to serve our fellow members, friends and families.

My thanks should go to all our advisors, council members and members of the PSA for the countless hours they had spent over the past year, to make the PSA and Wah Yan family the best that they could be.
