The winners and the guests

The 2nd Wah Yan Basketball League ended in rounds of applause firstly with gratitude to the WYCHK for providing the venue/support and the winning teams for their outstanding performance. While the venue for the Finals was at the Chai Wan Indoor Games Hall for the first time, the competing teams were basically the same as last year. The outcome was as expected although Maestro, the 1st runners-up last year came with a full team trying to beat last year champion 67STS. The latter proved to be unbeatable even with only five players. The match was entertaining as the scores were high with more than ten 3-points shoots. The final result was 68:53 win for the 67STS. Besides retaining the championship title, one of their players, Lee Kai Fung, also won the top scorer award replacing Maestro's Chung Tat Yan.

In the 2nd runners-up fight, the Green came out to be much stronger than before and led with a clear margin in three quarters. The 70Pals caught up at the last quarter but found the time was running out too quickly. All in all, everyone enjoyed the matches and the prize presentation that followed. Below is a recap in photos and video clips. Hope to see you next year!

3rd Wah Yan Football League Jointly held by the PSAs of Hong Kong and Kowloon Wah Yan.

By Peter Tang

An absolutely exciting battle was witnessed in the Wah Yan Kowloon concrete grounds this afternoon! Grand Sports fought bravely into extra time until beaten by Friends 1 with a sudden death golden goal. The Top Scorer title was jointly won by Cheuk Che Yin and Jong Chung Yin who belong to WYCHK96 and Dortmund respectively. Both teams were knocked out in earlier rounds. WYHK principal George Tam and the Presidents and Chairmen of the two PSAs officiated the prize giving ceremony held right after the matches.
