MENTORSHIP SCHEME

The mentorship scheme co-organised by the School and the Student Members Committee (SMC) was officially launched on 16 March 2003. The scheme aims to provide opportunities for those Wahyanites who are now studying at School to receive guidance from and share experience with some senior boys. If you want to contribute to this meaningful and long-term project, please contact Justin Kwok, Chairman of SMC (justinkwok@hotmail.com).

MESSAGE From The EDITORIAL

Now, it comes to the third and the last issue of Wahyanites for the year 2002-3. It has been my pleasure and honour to act as the Chief Editor this year. Thank you for spending a couple of seconds or minutes to read this issue and the previous ones. I hope you would not have spent an hour or so to read this publication! It is because there could be two possibilities. The positive one, which I highly prefer, is that the publication is informative and visually attractive. However, the negative one, which is least preferred, may reflect my incompetent editorial skills. I have been serving on the editorial board since 1995 and have learnt a lot from other senior colleagues. I will keep on enriching the content and increasing the readability of this publication in the future. Lastly, I would like to take this opportunity to thank a particular classmate of my year, who prefers to remain anonymous, for having taken over from me the job of being our desktop publishing (dtp) artist since when I became the managing editor in 2000. He is a creative and efficient graphic designer. I hope he will continue to render his expertise in dtp in the future so that I can say 'he has been serving' instead of 'he has served' as dtp artist since 2000.
