2. Protocol

- a. There will be three separate divisions:
 - i. Senior Friendly League Division is mainly for past Wah Yan students of Class 1989 (meaning 1989 year of Form 5 graduate) or before¹;
 - ii. Division One League allocated for this year's participating teams with the highest top rankings from last year results;
 - iii. Division Two for all the other teams from last year as well as any newly formed teams this year. (Note: Past students of Class 1990 or after cannot participate as players in the Senior Friendly League except as goalkeepers only.)

¹ As older aged goal keepers are more prone to bodily injuries than younger goal keepers, to minimize injuries, younger past students from the Class 1990 or after are allowed to participate in the Senior Friendly League Division as goalkeepers, but not in other positions. The younger goalkeepers from the Class of 1990 or after are not allowed to cross the mid field line at any time during matches in order to prevent teams from using these younger goalkeepers as offensive players. For the avoidance of doubt, these younger goalkeepers are also forbidden to shoot penalty kicks.

- b. The tournament uses a Single Round Robin System on a league basis for organizing the matches and marking scores.
 - i. For determining the final ranking of the tournament,
 - If two teams get the same points, the result of play between the two teams is counted. The team that won will be the champion. If two teams happened to tie in their result of play, the one with a higher score difference will win the league. If the score differences are the same, the team who scores more will win. If the total scores are also identical, both teams are considered as the same ranking
 - Winner gets 3 points, no point for the loser. If the match ends in a draw, both teams will get 1 point

3. Rules & Regulations

- a. All matches shall be played with 11 players in each team of which one must be the goalkeeper
- b. Any team fails to show up 10 minutes after the scheduled time or showing fewer than 8 players will be regarded as 'Walkover'. The opposing team will be the winner of the match and the result will be treated as '2:0'
- c. Any team or match supervisor fails to turn up, the team will be subject to a 'Walkover' penalty of HK\$1,000 per match or day. With two 'Walkovers' the team will be disqualified from the tournament. The previous results including points scored by other teams over the disqualified team and all the goals scored by all the concerned teams will be cancelled. A fee of HK\$8,000 and a refundable penalty deposit of HK\$2,000 shall be submitted by each team together with the enrollment form and a list of the first batch of no fewer than 11 players for registration.² Full details of each player can be submitted after the team obtains qualification notice. To discourage foul play, in a single match, there will be a fine of HK\$200 for each yellow card starting from the third yellow card received for each team and a fine of HK\$400 for each red card starting from the first red card received regardless of whether the red card is from two consecutive yellows cards or from a straight red card. In other words, each team has a quota of two 'no-fine' yellow cards only if the two yellow cards are given to two different players in the team. If two yellow cards are given to the same player, it will be treated as one red card with an immediate fine of HK\$400 as one red card and the quota of two "no-fine" yellow cards per team will also be considered as used up for that team. For the friendly tournament, a red card offense is considered a very serious matter and an immediate fine of HK\$400 is imposed to discourage any red card offenses in the league. If a team's penalty deposit of HK\$2000 is completely used up, the team will be required to make an additional top up deposit of HK\$1000 in order to continue to participate in the tournament. The player who accumulates three yellow cards or receives one red card (in the same match or different matches) will result in one match suspension
